

KIDS CLUB!

Kids Club Specials! Fun Scavenger Hunts!

Looking for an unforgettable experience that your kids will be talking about for weeks? If the answer is YES... listen up. Our custom scavenger hunts are fun, interactive and a great outdoor activity for kids of all ages. And you don't have to be a superhero kid to do one of our hunts. The tasks are designed so that ALL kids can do it.

Mission Bay and areas like the Crystal Pier in Pacific Beach would be the playground for your adventure. Each team will be accompanied by a trained Where You Want To Be Tours team leader. Creative photography plays a big part in our Scavenger Hunts. After your event, we will provide you with a fun photo album, all extra prints & a CD.

Since this is a customized adventure, we can incorporate a fun relay race or task right at the beach! If your event has a theme, we can also work that theme into the Scavenger Hunt. Some examples include - Hawaiian/Tropical theme and Birthday parties.

Our staff will also conduct a fun "Awards Ceremony" following the Scavenger Hunt.

Time: Approximately 2 hours

Costs: Call for special prices on groups of 6 or more.

Note- Teambuilding scavenger hunts are a great bonding experience for your co-workers. Call Marc or Darlyne. We'll help you really wow them with a fun teambuilding event!
